I'm a passionate MERN stack developer with a strong foundation in Next.js, Firebase Auth, and Appwrite. Currently, I'm exploring Machine Learning with Python and Django. As an Electrical and Electronic Engineering student at the University of Rajshahi, I bring technical knowledge and creative problem-solving to the table.

Projects

- **SPARK 08 EEE (Production)** [Live Preview](#) | [Source Code](#)
Spark 08 EEE: Result analysis and management system with student info and activities (tours, events, study materials, blogs)
